SECTION 7 - DIRECTORY LISTINGS

A. ALPHABETICAL DIRECTORY (Cont'd.)

2. Composition of Listings (Cont'd.)

a. Name (Cont'd.)

(4) Addresses

box number, except when modification facilitates identification of the listed party by the calling public.

(5) Telephone Numbers

Each listing may include only one telephone number. A listing may include only the telephone number of the first line of a PBX system or trunk hunting service group of individual lines, except that a trunk not included in the trunk hunting service group of a PBX system or the first trunk of a separate trunk hunting service group of a PBX system may be listed to meet special conditions as, for example, where a corporation and its subsidiaries use the same PBX system.

3. Types of Listings

a. Standard Listings

A standard listing is the type of listing which may include a name, designation, address and telephone number to appear in the information records and the alphabetical directory for the territory in which the telephone service is located.

b. Indented Listings

An indented listing is the type of listing which is indented under a standard listing or under a caption and may not include more than a designation, address and telephone number. A caption consists of a name and may include a designation but not an address or telephone number and is used where two or more indented listings are required. When the same designation for two or more of the indented listing, the designation may be shown as a subcaption for such indented listings.

Indented listings are permissible when a subscriber is entitled to two or more listings of the same name with different addresses or different telephone numbers.
